NOTICE.

Our system of business as regards orders by mail, is by many Librarians and Book-buyers, not fully understood. Although we now have a large connection with the most prominent Book-sellers, Librarians and Book-buyers throughout the United States, we still wish to extend our business by calling attention to the advantages presented by our frequent sales of Choice Books in all departments of Literature, in which are often found valuable works rarely to be obtained from other sources.

The following suggestions if attended to in sending orders will serve to lesson the frequency of errors.

Books are always sold per volume, whether the lot has one or more volumes; if a lot has 10 vols., and you desire to pay $2 for it, make the bid 20 cents. Pamphlets the same, where the number is indicated thus (25), when the number is omitted, lot or bundle is intended; bid by the piece in every case that number is given, in case of doubt, state expressly that the bid is for the lot. These are the Auction rules from which those in attendance are not permitted to depart.

Use this sheet, send bids for one sale only; fill out all the blanks and do not forget to *sign your name,* giving full shipping instructions each time; arrange your bids in numerical order; make your figures plain; give the first word of the title and give extreme limit you are willing to pay; all orders are used in competition. If prices are left to our discretion we shall endeavor to exercise proper judgment, and we give the most careful attention to all orders. No books are purchased that are not in clean, sound, second-hand condition, and should any imperfection be found, not mentioned in the catalogue, the book may be returned, but advice of such return must be made on receipt of goods. *No books returnable after fifteen days from date of sale for any imperfection or errors.* Forward your orders early as possible to enable us to avoid errors by hasty entry. A very large proportion of books offered at our sales are secured by customers outside of Boston, catalogues being sent to all the prominent libraries, book-sellers and private buyers in the United States, from which we are favored with numerous orders, and it is obvious that we are exceedingly busy the days preceding a sale. The fact prompts these instructions, the advantages of which will be readily perceived.

We make no charge for purchasing or packing, except for boxes and cartage for freight shipment.

Advice of purchase made immediately after the sale, or notice by postal that nothing has been secured.

We solicit correspondence and your orders.

TERMS CASH. Remit promptly by check payable through New York and Boston Clearing Houses, Express or Post Office Money Orders.

Executors, administrators and others having books, periodicals, autographs, engravings, etc., for disposal are invited to communicate with us; (in case of a library in large quantity we will give personal attention in any part of the country). Our extensive facilities and connections enable us to offer inducements not equalled in any other city.
